## WHO ARE WE ?

### 150 YEARS OF HISTORY IN 12 KEY DATES

Since 1868, the BODET Group has continued to innovate, establishing itself as an acknowledged global leader in time management solutions.

Nowadays, more than 800 enthusiasts are committed to meeting your requirements through their expertise in the four areas in which the Group operates.

The company **designs and builds** its products at its Trémentines and Cholet sites (Maine-Et-Loire, France).

BODET ensures the consistent quality of its products, through its high-quality manufacturing processes. Since 1997, BODET has been **ISO 9001 certified** for all its activities.

Each year, BODET invest 10% of its revenue in Research & Development across all of the Group's activities.
